PUBLIC NOTICE

IMPORT TRADE CONTROL

New Delhi, the 18th August 1967

SUBJECT.—*Import of raw materials, components and spares by actual users engaged in the industries other than priority industries in the small scale sector and also in the non-SSI sector sponsored by the State Directors of Industries.*

No. 82-ITC(PN)/67.—Attention is invited to the policy for import of raw materials, components and spares by (i) actual users in the small scale sector and (ii) actual users in the non-SSI sector sponsored by the State Directors of Industries, as given in paragraphs 46 to 50 in Section I of the Import Trade Control Policy (Red Book) for the period April 1967—March 1968. In accordance with the provisions contained in paragraph 47 of this policy, the existing units engaged in the industries other than priority industries can submit their applications for import of raw materials, components and spares covering their annual requirements, after utilising the previous licences for raw materials, components and spares issued to them under the liberalised import policy for April 1966—March 1967, to the extent of 90% by opening letter of credit or 60% by actual importation.

2. On a review of the position, it has been decided that the units in whose cases the total value of import licences for raw materials, components and spares obtained under the liberalised import policy for April 1966—March 1967 is less than Rs. 5,000/- can, if they so desire, apply for an import licence for raw materials, components and spares for the period April 1967—March 1968, before fulfilling the condition regarding utilisation of the previous set of licences.

3. Paragraph 47 in Section I of the Import Trade Control Policy (Red Book) may be deemed to have been amended accordingly.

[Issued from File No. IPC (Genl. 13)/67.]

P. D. KASBEKAR,

Chief Controller of Imports and Exports.
